

## Implantation areas

### Structural timber - Timber-frames - Roofing

Structural timber - Timber-frames - Roofing

### Heating - Sanitary - Electricity

Heating - Hot water and air treatment  
Comfort and security - Lighting  
Renewable energy - Plumbing and pipework  
Infrastructures and electrical installations  
Sanitary - Water treatment

### Interior and exterior decoration

Decoratives elements - Outdoor equipments - Paints  
Coating - Floor, wall and ceiling coverings

### Heavy equipemnt - Public works

Site equipment and facilities - Machines and plant  
Handling and laying concrete and mortar - Earth-moving  
and pipe-laying - Vehicles

### Computing systems

CAO-DAO - Administration systems - Hardware - Web

### Insulation

Sound insulation - Exterior insulation -  
Interior insulation

### Masonry - Cladding

Outer shells - Plaster - Structure - Walls - Floors  
Water treatment - Sewage networks

### Joinery - Doors and windows - Layout

Layout - Fitting out and environment - Joinery - Doors  
and windows

### Hardware - Tools

Workshop Machinery - Hardware - Tools

**ANNEXE I - Sections of the exhibition**

**A STRUCTURAL TIMBER - TIMBER FRAMES - ROOFING**

**Structural timber**  
Structural timber and components  
Metallics structural components  
Structural tools  
Preventive and curative treatments

**Roofing**  
Chimney  
Smoke ejection  
Roofing Items  
Waterproofing  
Gutters and piping  
Light wells - Roof lights  
Hardware and tools for roofing  
Green roofs

**Timber Frames**  
Sidings  
Timber frames components  
Sawmill - Wood industry

**B HEATING - SANITARY - ELECTRICITY**

**Heating - Hot water - Air treatment**  
Fireplaces and accessories  
Air-conditioning and Cooling  
Flue  
Radiator  
Regulation  
Heating and hot water for sanitation  
Ventilation and air treatment

**Comfort and security**  
Accessibility  
Access controls, burglar-proofing  
Diagnostics and controls  
Home automation  
Motorization and automation

**Lighting**  
Security lighting  
Exterior lighting - Illuminated signs  
Interior lighting  
Urban lighting

**Renewable energy**  
Biomass, wood boiler,...  
Heat pump, geothermal, aerothermal  
Photovoltaic, wind  
Solar thermal

**Infrastructures and electrical installations**  
Electrical appliances  
Cable trays  
Energy distribution  
Energy supplier  
Photovoltaic- Wind

**Plumbing and pipework**  
Plumbing and accessories  
Pumps  
Pipes - Tubes - Connectors

**Sanitary**  
Bathroom accessories and decoration  
Bathroom furniture  
Taps  
Sanitary  
Sauna -Stream baths-Spas-Hydrotherapy

**Water treatment**  
Rainwater recycling  
Water treatment

**C INTERIOR AND EXTERIOR DECORATION**

**Decorative elements**  
Decorative elements  
Artistic and decorative ironwork  
Stucco and plasterwork  
Glassware - Decorative mirrors

**Outdoor equipments**  
Urban furniture - Outdoor fittings  
Pools - Pool enclosures  
Wood or composite terraces  
Exterior paving  
Natural stone - Flagging

**Paints - Coatings**  
Adhésives  
Rendering  
Paints and derivatives

**Floor, wall and ceiling coverings**  
Decorative concrete - Resin  
Tiling  
Finishing components  
False ceilings - Stretched fabric ceilings  
Wall panels  
Mortars - Glues - Admixtures  
Floors  
PVC cladding  
Textile coverings

**D HEAVY EQUIPMENT - PUBLIC WORKS**

**Site equipment and facilities**  
Site fencing - Protective barriers  
Modular construction  
Containers - Waste chutes  
Scaffolding - Ladders  
Electronic guarding  
Signaling, site markings  
Waste treatment

**Machines and plant**  
Lifting and handling equipment  
Plants and equipment, drilling  
Construction equipment and accessories  
Cranes  
Renting  
Maintenance and repair  
Machinery and equipment for green areas

**Handling and laying concrete and mortar**  
Concrete and cement lorries  
Cement mixer  
Machines for concrete

**Earth-moving and pipe-laying**  
Earth-moving plan  
Pipe-laying

**Vehicles**  
Vehicle conversions  
Work vehicles  
Commercial vehicles

**ANNEXE I - Sections of the exhibition**

**E COMPUTING SYSTEMS**

**CAO-DAO**  
CAO-DAO

**Administration systems**  
Business application  
Specific softwares

**Hardware**  
Peripheral and IT Tools

**Web**  
Internet solutions

**F INSULATION**

**Sound insulation**  
Ground soundproofing  
Wall soundproofing  
Ceiling soundproofing

**Exterior insulation**  
Organically sourced insulation  
Synthetic insulation  
Mineral insulation  
Insulation made from outside

**Interior insulation**  
Insulation materials  
Thermal diagnostic  
Airtightness  
Organically sourced insulation  
Synthetic insulation  
Mineral insulation  
Thermal bridge breaker

**G MASONRY - CLADDING**

**Outer shells**  
Sidings  
Rendering

**Plaster**  
Lining-interior partition walls  
Plaster

**Structure - Walls - Floors**  
Concrete construction  
Brick construction  
Tightness  
Cement - Glues - Additives  
Ceilings - Floors  
Thermal bridge breaker  
Preventive and curative treatments

**Water treatment - Sewage networks**  
Sewage networks  
Drainage  
Rainwater harvesting

**H JOINERY - DOORS AND WINDOWS - LAYOUT**

**Layout**  
Acoustics  
Partitions fixed, mobile - Trellises  
Kitchen  
Panelling  
Wood panels  
Cupboards and fittings  
Work Plan  
Postforming - Thermoforming  
Hardware layout

**Fitting out and environment**  
Barriers and protective systems for swimming pools  
Guardrails - Balusters  
Portals - Fences  
Sawmills - Timber Industry  
Blinds - Sunscreen  
Wood or composite terraces

**Joinery - Doors and Windows**  
Stairs-Handrails  
Aluminium/Metal joinery  
PVC joinery  
Specialist joinery  
Wood joinery  
Joinery mixed in materials  
Metalwork  
Motors and automated systems  
Garage doors  
Conservatories  
Glass - Glazing products  
Shutters of all types - Blinds and louvres

**I HARDWARE - TOOLS**

**Workshop machinery**  
Machinery for Timber industry  
Machinery for PVC  
Machinery for metals

**Tools**  
Renting  
Maintenance and repair  
Material and tools for green spaces  
Hand tools  
Power tools and wire  
Pneumatic tools  
Diamond tools  
Work safety - Protection  
Topography

**Hardware**  
Adhesives  
Letter-boxes and accessories  
Hardware for structural timber  
Fittings  
Hardware and roofing tools  
Shelving  
Mechanical fittings  
Nuts, bolts and screws
